

Garden City High School Site Based Team  
Minutes October and November 2018

The Site Based Committee has met and the primary topics discussed were:

Continuation of Compassion is Contagious theme

Add/Drop Policy – working on a draft of a revised policy. Possibility of shortening the period for adding a course. Considering the amount of time to permit students to drop. Not considering a change to the policy regarding level changes.

HS will be piloting the Canvas Program - a cloud based learning management system in the Spring of 2018.

Superintendent Voice Meeting - Dr. Sinha would like to meet with a different group of students several times each year to give them a voice in their education. A different and diverse group of students will be selected for each meeting by guidance counselors.

Other topics discussed included "One School/One Book" program, New Media Art Course for 2019 and new art standards for 2019-20, Potential Testing Date June 3 for the Global History and Geography regents Examination.
