FOR IMMEDIATE RELEASE:

Students Helping Students at Stratford Avenue

By Michelle Vincent, Social Worker

Stratford's fifth grade student leaders group, "Kids Helping Kids," organized a collection of donations for the victims of recent hurricanes. The students collected water, diapers, batteries, flashlights, and other non-perishable items that bound for Floral Park Memorial High School – the designated drop off site for Nassau County. These supplies will be shipped to families who are still in dire need of clean drinking water and basic supplies. "Kids Helping Kids" wants to thank everyone who participated in making this event a success!
