## schooltool Mobile Application: Getting Started

The new schooltool mobile application is now available! Parents can log in to see information about current schedules, assignments, and attendance. Users will also be able to receive push notifications when teachers submit assignment grades.

To get started using the schooltool mobile app, you will need the website address URL <https://schooltool2.gcufsd.net/schooltoolweb> and your Parent Portal login account (this is the parent portal account that you use to access schooltool).

1. Download and install the schooltool mobile app (see below):

*From the App Store (for Apple devices):*

*From the Play Store (for Android 4.0 and higher):*

2. After installing and opening the schooltool mobile app, type in the following URL: <https://schooltool2.gcufsd.net/schooltoolweb>  
Enter your schooltool username and password and click the Log in button.

The screenshot shows the login interface of the schooltool mobile app. At the top, there is a blue header with the schooltool logo and the text 'schooltool'. Below the header, there is a large blue circular logo with a white 'S' inside. Underneath the logo, there are three input fields: 'URL', 'Username', and 'Password'. Below the 'Password' field, there is a checkbox labeled 'Stay logged in'. At the bottom of the form, there is a blue button labeled 'Log in'.

The following fields are required:

- **URL:** Enter the URL (website) used to access schooltool - <https://schooltool2.gcufsd.net/schooltoolweb>
- **Username:** Enter your schooltool username, which is your email address.
- **Password:** Enter the password you use to log into schooltool.

Use the "Stay logged in" option if you do not want to enter this information each time you access the app.
