Dear Parent/Guardian:

Your child will be receiving instruction from highly qualified professionals who have demonstrated mastery in their field. According to the regulations of the **Every Child Succeeds Act (ESSA)**, you may request specific information as to the qualifications of your child's teachers and paraprofessionals.

You are entitled to request the following information:

- whether the teacher has met State qualifications and licensing criteria for the grade levels and subject areas in which the teacher provides the instruction;
- whether the teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived;
- the baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree; and
- whether your child is provided instruction by paraprofessionals and, if so, their qualifications.

If you require this information, please contact Dr. Maureen Appiarius, Assistant Superintendent for Personnel, in writing.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Peter Osroff".
