

GARDEN CITY ELEMENTARY SCHOOL
CELLULAR DEVICE ACCEPTABLE USE AGREEMENT

The Garden City Elementary School's Cellular Device Acceptable Use Agreement states the policy and procedures for the use of cellular devices (including but not limited to cell phones, cameras, iPods, videos or Internet web access). It applies to **all** students who bring a cellular device to school.

RESPONSIBLE USE:

1. Cellular devices are not to be used during the school day. This includes school lunch periods, school related functions and on the school bus.
2. Students are not to send or receive texts, voice mails, picture messages or calls during the school day.
3. Cellular devices are to be kept in backpacks, not on student's person during the school day.
4. Access to a telephone is made available in the main office or classroom throughout the school day.
5. In the event a parent needs to contact their child, the parent should call or go to the main office of the school. The main office will relay the message to the student.

WHAT IS EXPECTED:

Students are responsible for appropriate behavior in a classroom, cafeteria, on a school playground or on a school bus. It is expected that students will comply with the specific rules set forth. The student is personally responsible for his/her action in accessing or using cellular devices. Your child will be held accountable for his/her actions and for the loss of privileges if the rules of the Cellular Device Acceptable Use Agreement are violated.
