# Student Data Privacy and Security

New York State Education Law Section 2-d and the Family Educational Rights and Privacy Act provide clear protections for student data, and NYSED is committed to complying with all applicable laws. The New York State Department of Education has committed to promoting the least intrusive data collection policies practicable that advance the goals of improving academic achievement, empowering parents with information and advancing efficient and effective school operations while minimizing the collection and transmission of personally identifiable information, and will work to ensure that this is reflected in the practices of every educational agency in New York State by developing policies and standards that will provide clear guidance to the field.

# Part 121 Regulations

- PROTECTION OF PERSONALLY IDENTIFIABLE INFORMATION (PII)
- BILL OF RIGHTS FOR DATA PRIVACY AND SECURITY
- DATA PRIVACY AND SECURITY POLICY
- NIST CYBERSECURITY FRAMEWORK
- THIRD PARTY CONTRACTORS
- ANNUAL EMPLOYEE TRAINING
- UNAUTHORIZED DISCLOSURE COMPLAINT PROCEDURE
- INCIDENT REPORTING AND NOTIFICATION
- DATA PROTECTION OFFICER

- Protect the confidentiality of personally identifiable information of students (FERPA) and personally identifiable information of teachers and principals (APPR) - Student name, parents' name, address, student number, linkable information
- Adopt and post on website a Parents' Bill of Rights for Data Privacy and Security, with supplemental information about each written agreement with a third-party contractor (vendor) that involves disclosure of PII
- Adopt and post a Data Security and Privacy Policy that includes adherence to the NIST Cybersecurity Framework to protect PII
- Apply the planning, processes, and categories of information protection defined within the NIST Cybersecurity Framework to district practices and systems
  - Identify, Protect, Detect, Respond, Recover

- Whenever the educational agency discloses PII to a third-party contractor, ensure that the written agreement for using the product or services includes the language required by Education Law
- Deliver annual privacy and security awareness training to all employees
- Create and publish an unauthorized disclosure complaint process
- Follow reporting and notification procedures when unauthorized disclosure occurs
- Appoint a Data Protection Officer to oversee implementation of Education Law 2-d responsibilities

# Technology Update

- Internet bandwidth upgrade to 2 Gig in HS completed
- District 2 Gig upgrade in progress
- Professional Development on how to setup the needed technology in remote and hybrid classes for all teachers
- 14 sessions of PD in August in Google classroom and G suit, See Saw, Zoom, Nearpod, Pear Deck and other applications. An average of 60 attendees in each session. Many teachers attended multiple sessions.
- Summer curriculum writing in K-5 focused on remote learning best practices and exemplars
- 2200 Chromebooks and 100 iPads distributed among hybrid and remote learners
- Speakerphones for every remote and hybrid classroom
- Cameras for classrooms and offices as needed
- Helpdesk support for families to support the transition to hybrid and remote learning
- Completed the districtwide infrastructure upgrade in Stewart, Stratford, Hemlock, Homestead, Locust
- Assisted in the technology setup in the new large are classrooms:
  - smartboards, voice amplification systems, and computers installed
