FOR IMMEDIATE RELEASE:

2016 Adelphi Prize for Leadership

Five Garden City High School seniors, Andrew Nagel (center, left), Mairead Pfaff (absent from photo), Seunghyun Woo (center), James Rumsey (center, right), and Suzanne Sanossian (absent from photo), were awarded this year's Adelphi Prize for Leadership. The recipients are pictured here with Board President Angela Heineman and Superintendent of Schools Dr. Robert Feirsen at the October 13th Board of Education meeting at which the students were honored. On September 16th, the recipients attended a reception at Adelphi University where they were awarded a memento in recognition of their accomplishments, a check for \$1,000, and the opportunity to register for two tuition-free courses at Adelphi. "These students were selected because they have leadership qualities," said Dr. Feirsen. "There is an extensive process to be considered for the Leadership Prize. Rising seniors must fill out an application, provide a transcript, include recommendations, and submit an essay – it's a rigorous process."
