**FOR IMMEDIATE RELEASE:**

**Garden City Middle School Recognizes Outstanding Students**

Congratulations to Garden City Middle School students for recently being recognized by the school's "Kindness Counts" and "Student of the Month" programs. For the "Kindness Counts" awards, any middle school student "caught" in an act of kindness can be nominated by any staff member. Students are then recognized at the end of each month for their kindnesses.

Similarly, each academic team can nominate one student for their outstanding work, dedication, and achievement. "This award is for students who stand out amongst their peers," explained assistant principal Dr. Daniel Fasano. "Students may be nominated for academic achievements, showing great improvement, hard work, or helping a peer."

Below are the outstanding middle school students receiving awards for the months of September:
