For Immediate Release:

Garden City High School Italian Club Raises Money to Benefit Earthquake Stricken Schools in Italy

By Lea Brunetti, teacher

Members of Garden City High School's Italian Club are pictured holding two checks that were mailed to one of the schools in Amatrice, Italy, that was affected by the earthquakes which took place in the summer of 2016 and this past January. The money was raised through bake sales at Garden City High School. The members of the club wish to thank the DiLemme family for the contribution they made so that \$700 could be sent to purchase a much needed school item that was destroyed by the earthquake. Students in the Ms. Brunetti's IV Honors Italian class also wrote letters to the students at the same high school. The students are grateful to all those who contributed by purchasing the Nutella pizza slices and other tasty items!
