For Immediate Release:

The Family Fun 2017 “GC Race for a Cure 5K/1 Mile Run-Walk” Event is Coming Soon!

By: Trish Roberts, teacher

Get ready, get set, and mark your calendars! On April 22nd come and join the Garden City community as we celebrate this exciting, yearly, fund raising, fitness and fun, racing event. Families, sports teams, adults, and children of all ages are encouraged to run or walk during this fitness event and are guaranteed a fun experience. The main focus of this family event is to raise funds for cancer awareness. This goal continues to motivate and inspire teachers, administrators, students, parents, community members, and local merchants to make this event a huge success.

In addition to the racing awards and ceremony, participants can enjoy food, face painting, raffle prizes and purchase “GC Race for a Cure” memorabilia, such as cookbooks, magnets, and phone case holders.

The Garden City Teachers' Association (GCTA), the "GC Race for a Cure" committee director and teacher, Ms. Kerry Calvert, and the GCTA Race Committee are busy preparing for this year's race. It will be held on Saturday, April 22nd at 8:45 a.m. (1 mile) and 9:15 a.m. (5K) at Garden City High School - rain or shine!

The groups have high goals again this year and hope to raise even more funds than last year's record-breaking amounts. Enthusiastic committee members and sponsors are guaranteeing another spectacular event. This event is not only an opportunity for family fun, but it also provides an opportunity to make a difference in other people's lives.

Please consider volunteering and help us make a difference. Participants can register at <http://www.gcforacure.com/index.htm> or contact Ms. Kerry Calvert at gcforacure@gmail.com for more information.

We're looking forward to seeing everyone there!
