**For Immediate Release:**

**GCHS Athletic Field Closure – June 26- September 3**

As part of the Capital Reserve Fund Proposition 2 projects approved by the community on May 17, 2016, the athletic field and track at the high school will be renovated. New York State has approved the project and the refurbishment is scheduled to begin on June 26<sup>th</sup> and conclude on September 3<sup>rd</sup>. This timeframe enables construction to take place over summer vacation with the least disruption to our student athletes and athletic program. Please be advised that the high school field and track will be closed to all during this time. The district apologizes for any inconvenience and hopes the community will join us in the fall to visit and make use of the high school's new field and track.
