FOR IMMEDIATE RELEASE:

Garden City Public Schools Open Houses: August 28th and 29th

All seven of Garden City Public Schools will open their doors to students in less than a month – the first day of school is **Tuesday, September 5th** – and much work has been done this summer to freshen the buildings and fields in anticipation of the students' return.

Many of our students and parents appreciate the opportunity to tour the schools in advance of Opening Day. On **Monday, August 28th and Tuesday, August 29th**, parents and students are welcome to visit the school buildings. The district provides this opportunity in order to minimize the interruption to any last-minute cleaning, maintenance, and repair projects that need to take place before the first day of school.

Garden City Public School's 2017-2018 Calendar and Parent Guide has been posted to the district website under the maroon sidebar, "About Our District": www.gardencity.k12.ny.us. The district would like to thank the GC PTA's 2017-2018 District Calendar Coordinator and PTA Past President Ronda D'Antonio and the GC PTA for their efforts in coordinating the daily school district calendar event information.

Parents of current students will receive a hard copy of the calendar in the mail in late August; and a limited number of extra copies will be available in the Administration Building, 56 Cathedral Avenue, during regular business hours beginning in late August for non-parent residents.

From the Board of Education, Administration, and the staff of Garden City Public Schools, please enjoy the last few weeks of summer. We look forward to an exciting first day on September 5th, and extend best wishes to all of our students for a successful 2017-2018 school year!
