Diana Intintoli
Food Service Director

September 2022

Dear Parents/Guardians:

Welcome to the 2022-23 school year! This is to inform you that through the Garden City Food Services Program, your child can purchase milk and bottled water for lunch and snack. The program will begin on Monday, September 19th, 2022 and end on Tuesday, June 20th, 2023.

We now have a **NEW ONLINE** system to order milk and bottled water for the **whole** school year. Using this system, you will no longer be required to send in a form and a check. Milk and water will be ordered and paid for via an online app using your phone or computer. There will be a **one-time fee** for the milk and/or water for the entire school year.

The District is using **PaySchools Central** for parents of primary and elementary students to pay for **and** order milk and water. Please click [here](#) for instructions on how to sign into PaySchools Central. If using a mobile phone, the best way to access is to **download the app** that has the **blue icon**.

After logging in, please look for the FEES section, and click on the options you would like your child to receive for the school year. Proceed to checkout, and complete the transaction.

The price for Milk and Water for the 22-23 School Year is as follows:

SKIM OR 1% MILK AT LUNCH: \$56.00

8 OZ. WATER AT LUNCH: \$96.00

If you have any questions or concerns, please contact me at 478-2780.

Sincerely,

Diana Intintoli
Food Service Director
