September 2021

Dear Parents and Students:

Please accept the following reminders for driving safely around our school. If you have a senior who is permitted to drive to school, please share this with him/her.

- The Merillon Bus Circle is for school buses ONLY immediately before and after school. Private vehicles can drop off or pick up from the Rockaway Ave. Circle or from the main parking lot on Merillon Avenue.
- Follow traffic signs which specify entrances/exits as well as one-way flow of traffic in the parking lot.
- Turns are not allowed in the morning as private vehicles exit the main parking lot on Merillon Ave. (Students are crossing the street to arrive at school and waiting for turns creates a traffic jam within the parking lot.)
- Drive safely on and around school property. Watch for pedestrians. The speed limit on school property is 10 MPH.
- Students should only park on school property if they have a valid parking permit. Students should not park in visitor parking spots.
- Everyone must respect the Handicapped parking/Handicapped designated parking spots.

Thank you for your cooperation. Drive safely.

Sincerely yours,

Kevin Steingruebner
