Summer 2021

Dear Senior,

One of the privileges of being a senior at Garden City High School is the opportunity to obtain a parking permit allowing you to park in the Merillon Avenue parking lot. A lottery is used to distribute these permits in an orderly and fair process for fall and spring semesters. As students are not guaranteed a parking permit for the entire school year, students should consider sport and extra-curricular activities when selecting fall or spring parking preferences.

Here is the procedure with important dates for obtaining a parking permit:

- **Complete and return the enclosed application before 2PM on Friday, August 20th with a copy of your Class D driver's license and the registration for the car(s)** to be parked on school grounds. Those students who will not be 17 years of age as of September 1<sup>st</sup>, will be granted a spring parking permit.
- The lottery for the fall semester will take place at 2PM on August 20th and the results will be posted on the GCHS website homepage that afternoon.
- Those eligible students who are granted fall parking will be mailed a parking permit tag prior to the first day of classes. The parking tag should be hung from the rearview mirror in the student's vehicle. Applications which are not complete or miss the August 20<sup>th</sup> deadline can apply after the start of the school year in the Main Office.

Students are required to abide by school regulations as listed on the attached application. If GCHS revokes parking privileges for a student for any reason, the next student on the waiting list will obtain a permit as a replacement.

Thank you for your cooperation in this matter and enjoy your senior year!

Sincerely,

*Connor Cohn*
