## **2018 – 2019 Membership Campaign**

Dear Members and Friends of Music:

Our mission is to support music education and encourage the development of music skills in our children. **We welcome new and existing members to renew your membership with a donation of \$20.** This annual membership campaign is our major fundraiser. In addition to your membership dollars, we would appreciate the contribution of your time to assist us in promoting our district's outstanding music program. Past contributions have enabled us to supplement music programs in our schools. Some of our past donations in 2017-2018 school year include:

- **\$4,750 – New, high quality Tuba for Garden City High School's upper level bands, Wind Symphony and Wind Ensemble.**
- **\$2,000 – Bass Drum Harness, Fender Bassman replacement, MIDI Keyboard Controller and Drum Line Cases for the Garden City Marching Band.**
- **\$2,250 – Two new high quality Leonardo DiVicenza 1/2 size cellos, one for Stratford School and one for Stewart School Orchestras.**
- **\$1,000 – Award to FOM High School Senior Scholarship Winner**
- **\$700 – Funding of FOM Student Achievement Awards for Stewart, Stratford, MS & HS**
- **\$300 – FOM's share of Garden City Parent University expenditures**

Additionally, we sell flowers at concerts held in our schools. **We look to new members to infuse our organization with innovative and fresh ideas. Please join us. For more information, please contact us at: [info@gcfriendsofmusic.org](mailto:info@gcfriendsofmusic.org).**
