The Book Fairies

Book Collection

November 26 – December 7

Garden City Middle School and The Book Fairies are collecting new and gently used books for children and young adults. All books collected will be distributed to high poverty schools and organizations in need on Long Island and throughout the Metropolitan Area.

Books can be left in collection boxes located outside the GCMS Library and at the GCMS main entrance.

**** Please do not donate books for adults, magazines, encyclopedias and textbooks. ****

Together, we can make a difference!
