Dear Parents/Guardians,

I hope this outreach finds you well! We are so excited to share our plans for the upcoming parent teacher conferences! It will be great to be able to connect with you so that we can share, as a team, our observations, highlights and insights. We can't wait to hear from you about what you're seeing at home and look forward to fielding any questions you may have.

We will have three dates for conferences this year:

- Monday, November 7th from 7:00pm-9:00pm
- Tuesday, November 8th (Election Day—Non-attendance day for students) from 9am-12pm
- Thursday, November 17th from 6:30pm-8:30pm

As we have done in the past, appointments will be reserved for families of children whose teachers request a conference. Therefore, you will be contacted via email during the upcoming week if any of your child's team teachers feel there is a need to meet with you. It is not possible, nor has it ever been, for all parents to get an appointment during these scheduled days. However, if you do not receive outreach and you would like to meet with your teaching team or a special area teacher, please email them directly. They will arrange for a conference for another day and time. If you are unable to join the meeting in person, please let the outreaching teacher know and a virtual meeting or conference call can be created. Appointments will be ten minutes in length per team. We ask that you honor this time so that we can keep to what will be a tight schedule.

As always, if you have any questions, please contact your child's teacher.

Thank you for your continued support, trust, and partnership. We look forward to seeing you.

Warmly,

Matthew Samuelson
Principal
