

**GARDEN CITY PUBLIC SCHOOLS**  
**Testing Transparency Report**  
**2014-15**

Listed below are all standardized assessments administered in the Garden City Public Schools.

State assessment results for students in grades three through eight are not recorded on a student's permanent record card or unofficial transcript; notices sent to parents providing test score results include a statement acknowledging the scores will be used for diagnostic purposes. School districts will not make student promotion or placement decisions based solely on the state-administered assessments for students in grades three through eight.
