Art Through The Grades

Kindergarten and First Grade: *The Garden City Historical Society Themed Drawing*

Kindergarten and first grade artists will be creating a drawing that illustrates windows and architectural details of Garden City for the Garden City Historical Society. Students will explore the concept of architecture through the story *Iggy Peck Architect* by Andrea Beaty. Using photographs of various buildings as reference, students will use the elements of line, shapes, and texture to create a work of art that meets this special theme.

Kindergarten & First Grade: Kindness Week

* The primary buildings will be participating in kindness week (Feb 10th through Feb 14th).
