

November 16, 2020

Dear Garden City School Community,

We have a High School staff member and a transportation staff member who tested positive for COVID-19. The Department of Health was notified and our internal contact tracing was completed today. Anyone considered as a possible close contact has been notified. School closure is not warranted at this time.

As I shared with you yesterday, we will continue to enforce our current practice of wearing masks, social distancing, practicing hand hygiene, cleaning high touch areas, disinfecting our buildings daily, and our contact tracing protocol.

Thank you for your cooperation and your support to ensure the health and safety of our school community.

Sincerely,

*Kusum*

Kusum Sinha, Ed.D.
